Radim Theiner

Work Experience

Papp Mobility ApS / Aug 2023 - Present

Product Owner

At Papp Mobility, I am the Product Owner, managing Angular platform and iOS app development. I lead the vision and strategy for our technology, ensuring seamless integration and functionality across web and mobile platforms.

GroupM / Aug 2022 - Jan 2023

Innovation lab intern

In charge of bringing innovations into a multinational media house and conveying their usage to specialists and clients. Primarily focusing on AI, cookieless solutions and web3 technologies.

VIA University College / Mar 2021 - Jan 2023

Student Mentor & Ambassador

Student mentor & Member of Multimedia team. In charge of planning and content creation for the VIA Horsens Campus.

SNews / Mar 2021 - Nov 2022

CEO

Founder of an AI-driven onboard technology for car infotainment where I ensured delivery on time, sticking to strategic plans, following vision, and keeping stakeholders and employees happy.

cesko.digital / Apr 2019 - Mar 2024

Volunteer

- Marketing Manager - Innovations in news storytelling
- Video editor - Remote education made easy
- Backend development - Cityvisor

Student Survival Guide / Sep 2019 - Jan 2023

IT Developer & Photographer

IT expert and content creator in a project made by students, for students. My duties encompassed the maintenance of the website, implementation of process automations, data analysis, and optimization of CRM systems.
