Product Design, 3D Modeling, Storytelling, Graphic Design, Visual Communication, Branding

Work experience

2023-2026 (current) **Content & Marketing Manager, TV NOVA** Remotely, DK

- Develop creative concepts and visual direction for major entertainment campaigns, including Love Island and The Bachelorette.
- Design and produce visual assets across digital and social media formats, ensuring high-quality, consistent brand communication.
- Personally edit photos and videos and create illustrations and other visual content using Adobe Creative Cloud.
- Coordinate photo and video productions, from creative development and set design to final asset delivery.
- Adapt creative content across formats and platforms, maintaining visual consistency and meeting production requirements.
- Manage multiple projects, stakeholders, and production deadlines
- to ensure efficient delivery and high-quality results.
- Collaborate with cross-functional teams and creative partners to bring campaign concepts to life.

2024-2026 (current) **Digital Designer & Jewellery Designer, MOOYYY** Remotely, DK

- Lead the creation of elevated visual identities and luxury marketing assets across digital, print, editorial, and outdoor channels, ensuring a cohesive brand experience across all touchpoints.
- Create editorial advertising and branded content featured in leading fashion/lifestyle magazines, including Vogue, ELLE, and Dolce Vita.
- Co-design fine jewelry collections from initial concept development to final production, creating 3D models, refining designs, and preparing detailed technical documentation.

Content & Community Manager

Simona Cerna

2026 **Jewellery associate, LONGVÉ** Copenhagen, DK

- Develop visual content and brand assets supporting luxury jewellery collections, campaigns, and digital communication.
- Create and edit photography, digital content, and graphic materials while maintaining a refined and consistent brand aesthetic.
- Design internal and external communication materials, supporting brand operations through visually engaging presentations, documents, and creative assets.

2020-2024 **Content creator, Freelance** Prague, Czechia

- Created ocial media content and creative campaigns for fashion, lifestyle, jewellery and sports brands.
- Managed social media channels for a professional ice hockey team, overseeing content creation, publishing and community management.
- Produced short-form videos, Reels, promotional campaigns, photography and graphic assets tailored to each brand's identity.

Other projects

I have experience in brand communication, social media management, and content creation, with a focus on developing engaging digital presences and strengthening brand identity. My work includes managing Instagram profiles, creating content strategies, and supporting PR initiatives to build authentic connections between brands and audiences.

Jewellery design

- Full jewelry brand development, including brand identity, visual communication, website design, and creative direction.
- Design and production of a complete jewelry collection, from initial concepts and material selection to final handcrafted pieces.
- End-to-end management of the production process, including prototyping, manufacturing, and final execution.

Product design

- Experienced in developing products from initial ideas and concept sketches through prototyping, material selection and final production.
- Strong understanding of the full product design process, including functionality, aesthetics, materials and manufacturing.
- Skilled at translating creative concepts into tangible products while balancing design vision, usability and production requirements.
